Custom Residual Solvents Mixes

- **Save time!** Let us prepare your standards, blended precisely to *your* specifications.
- **Save money!** Custom mixes for your processes; don't pay for solvents you don't need.
- **Great value!** Volume discounts on fully-qualified standards.

Buy More, Save More!

Restek Custom Residual Solvent Mixes are a great way to save money and time in the laboratory. You can buy exactly what you need—mixed to your specifications—and not pay for compounds you don't need.

Savings vary based on the mix and how much you purchase. Here's an example custom order and the associated savings relative to list price.
